## Fraud Investigation Report

TO: Payment Integrity Oversight Committee  
FROM: Senior Fraud Investigator, Program Integrity Unit  
DATE: December 01, 2025  
SUBJECT: Investigation Case Review: Provider 1003000142

### Executive Summary

This report details the findings for Provider 1003000142 (Rashid Khalil, Anesthesiology). The provider

was reviewed based on a predictive model risk score. While automated rule-based analysis and statistical metrics did not identify any billing anomalies, the predictive model assigned a Medium Risk score of 0.3850. The elevated score was primarily driven by statistical features related to services per beneficiary. Based on a comprehensive review, the recommendation is to place the provider on a monitoring status for future claims. Current payments are cleared to proceed with routine oversight.

## 1.0 Background

This investigation was initiated to review the billing patterns of the following provider:

Provider ID  
1003000142

Provider Name  
Rashid Khalil

Specialty  
Anesthesiology

Reason for Review  
Flagged by predictive risk model (Medium Risk).

## 2.0 Investigative Findings

### 2.1 Automated Rules-Based Analysis

Automated system checks for known fraud, waste, and abuse schemes yielded no positive findings. Billing patterns appear consistent with specialty and geographic norms.

Result: No anomalies detected.

### 2.2 Statistical Profile

A review of key performance indicators shows the provider is operating within acceptable statistical parameters compared to peers.

| Metric     |
|------------|
| Value      |
| Assessment |

|                  |

### 4.0 Conclusion and Recommendation

#### 4.1 Conclusion

Provider 1003000142 exhibits no clear indicators of aberrant billing through standard rules-based system checks. However, the predictive model score of 0.3850 warrants attention, categorizing the provider as Medium Risk. The elevated score is not sufficiently high to justify immediate administrative

action or payment suspension, but it does support proactive oversight.

## 4.2 Recommendation

Decision: MONITOR

It is recommended that Provider 1003000142 be placed on a monitoring status. Future claims submitted by this provider will be subject to standard compliance checks and ongoing review. Payment for current claims is authorized to proceed.
